

Your 2016 Year in Review

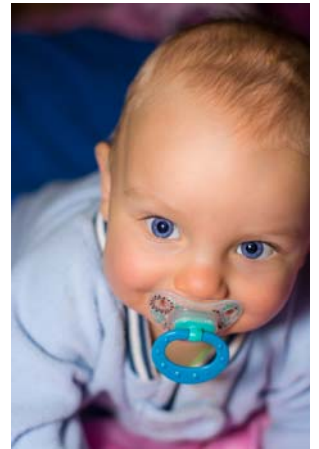

Abundant Life for the Family!

Protecting the rights of a child to live and be loved

Since opening our pregnancy resource center in 1982 WELS Lutherans for Life has addressed physical, emotional, mental, and spiritual welfare of mothers struggling with the concerns of sexual activity, unplanned pregnancy, and abortion. Using Biblical teaching while sharing the love of Jesus in word and deed the committed staff, volunteers, and donors pray, plan, and sacrifice to support WELS Lutherans for Life (WLFL).

WLFL helps mothers make positive choices for themselves and their children through counseling, testing, material assistance, referrals, and prayer. All services are based on individual needs and are free of charge. All women are welcome.

Financing a growing ministry like WLFL is a constant challenge. All of our funding depends on individual donors, churches, and foundations.

How much is a baby's life worth? Abortion clinics charge \$500 and up to destroy life. We believe life is priceless. WLFL takes seriously our financial accountability. We also value our supporters as equal partners in this ministry work like every volunteer and staff member.

Thank you for the important part you play in the success of WLFL!

Our work is about reaching people who are considering abortion and helping them choose life, but we don't want repeat "customers" coming in with yet another unplanned or unwanted pregnancy.

We want to see them transformed, in heart and mind, by the love of Christ displayed by the caring workers and volunteers at our pregnancy center. The only way that true and lasting transformation can happen in their lives is through a relationship with Jesus Christ.

2016 FINANCES

We take our responsibility of our partners contributions and willingness to fund this work seriously. When we set a budget it is with the desire to do all we can to save lives for now and for eternity. It is, "if we receive all we plan, we can do all we intend." Throughout the year we carefully monitor the revenue received and control our spending. The chart shows a funding gap of \$122,106. We were not able to achieve all we planned, but we accomplished what we could.

We are grateful for everyone who trusts us to carry out this ministry and utilize their sacrificial gifts to make a difference in people's lives one heart at a time.

We do all we can within our means to save and transform lives, but we trust God for the results.
